

A Golf Outing

In conjunction with our 40th Reunion activities a golf outing is planned for October 28, Friday morning, beginning at 7:00 am at the Pearl Country Club. The green fee is \$45.00 (jackpot and miscellaneous contests are additional costs and are optional). Participants should register at the golf course by 6:30 am. The format will be individual stroke play for a fun and casual outing. Contact Max Muraoka @ 486-3978 should you have any questions.

For non-golfing classmates: Please join the golfers for after-golf drinks and pupus at the golf course beginning at 11:30 am.

The golf course requires that we confirm the number of starting times that we will be using prior to the event. If you plan on joining us please confirm your participation by October 21. If you confirm your participation and later decide to cancel, please exercise common courtesy and advise us of your cancellation since golf pairings will be affected as well as the possibility of increased green fees due to minimum requirements for the preferred group rate.
